OFFICE MEMORANDUM

14

Subject: Exemption for import of Used critical care medical equipment for re-use (Basel No. B1110) under Hazardous and Other Wastes (Management and Transboundary Movement) Rules, 2016 - reg.

Used critical care medical equipment for re-use (Basel No. B1110) falls under Schedule VI of Hazardous and Other Wastes (Management and Transboundary Movement) Rules, 2016 as amended from time to time and prohibited for import. Several requests/application have been received in the Ministry and also pending before the different Hon'ble Court's in the Country for relaxation in the import of used critical care medical equipment for re-use (Basel No. B1110) in view of the prevailing COVID situation in the country.

2. The matter has been examined in the Ministry. It is to inform that in view of the prevailing COVID situation in the country and possible use of these equipment in the ongoing COVID pandemic, the Ministry has decided to allow one-time permission for import of used critical care medical equipment for re-use (Basel No. B1110) that have been already imported and are lying at different ports/ airports as on 08.06.2021.

3. This issues with the approval of the competent Authority.
